FAMILIAR LANDFALL

LIKE A VISIT WITH AN OLD FRIEND, THIS AIR VIEW OF QUISSET HARBOR IS THE PHOTO FRAMED BY THE EYE OF THE LATE WIN JENNEY. THIS HARBOR IS ABOUT AS FAMILIAR TO MATTAPOISETT BOATERS AS IS OUR OWN SINCE IT IS SUCH A PLEASURABLE DAY SAIL. THE CRESCENT IN THE FOREGROUND IS THE BIRD SANCTUARY THAT GUARDS THIS PROTECTED HARBOR JUST NORTH OF WOOD'S HOLE. THE NATURAL KNOB, AT THE POINT OF THE CRESCENT CONNECTED BY A CAUSEWAY, IS A FINE VIEWING POINT FOR THE HARBOR AND THE BEACHES WHICH SURROUND IT.

Mattapoisett Selectmen's Meeting

SEPTEMBER 16, 1986-byVIRGINIA ARRAL

NEW FIRE TRUCK FOR TOWN

Selectmen and Fire Chief Donald C. Wood last Tuesday signed a contract with Pierce Manufacturing Company of Appleton, Wisconsin to purchase a new 1,250 gallon per minute pumper fire truck at a total cost of $151,667.

This total cost figure will be paid by the town on a lease-purchase basis with $38,000 per year payment. This method of payment was voted at the May annual town meeting with the $38,000 this year to be transferred from the Stabilization Fund, rather than raised and appropriated.

At the same time, the Selectmen, acting as Fire Engineers, have been authorized to dispose of a 1954 Ward LaFrance, 750 GPM pumper. At last week's meeting Chief Wood noted no decision has been reached as to the disposition of the old truck. "Options will be discussed," the chief said.

Town Counsel Donald J. Fleming, who negotiated the contract, reported he was able to reduce the total price from $154,417 to the $151,667. The company had issued a notice in August of a price increase to become effective September 30. Attorney Fleming was able to negotiate the contract before the increase became effective.

Also, at town meeting, it was voted to spend $14,000 to be transferred from the Stabilization Fund to purchase fire apparatus equipment for the new truck.

ANNOUNCED AN ARTICLE to be placed in the September 29 special town meeting warrant requesting the sum of $45,204 be raised and appropriated to complete the Mattapoisett School Committee's 1986-1987 school year budget. The total budget of $1,426,039 is the new total figure.

Selectmen Chairman John DeCosta explained the additional funds are to cover salary increases following negotiation and ratification of a new teachers' contract. He noted some funds were voted in May, but not sufficient to cover all the increases.

WERE NOTIFIED by Highway Surveyor Manuel R. Nunes that the renovation of Brandt Island Road has been completed under Chapter 90 construction funds.

In addition to the roadwork, Nunes reported the pipe on Marina Drive has been dug out and replaced. DeCosta noted part of the problem is

WERE NOTIFIED by Police Chief James F. Moran that Officer Kevin Paulson is presently attending the Plymouth County Police Academy. The classes extend from September 8 through December 5. This program is an ongoing one that the police department budgets for annually so that new officers can attend to keep abreast of new law methods and to take gun training, as well as other classes to continually keep the department updated to maintain the high quality of the department.

RECEIVED A CORRECTED COPY of the ORR Senior High School roof cost impact statement from Andrew J. Santos, Associate Superintendent for Business.

Selectman James F. Huntoon noted the difference is a small one and figures out to reduce Mattapoisett's share by one/one hundredths of a percent and increases Marion's by one/three hundredths of a percent. The changes are so minimal that they hardly make any difference in the overall picture, he noted.

RECEIVED A LETTER from ORR Junior High School thanking the Selectmen for their support of the Mattapoisett Arts Lottery Committee and for the funding the school received from

the Committee.

The letter noted the funds have enabled the school to provide students with the experience of a Mime Artist in Residence this past school year and to look forward to the appearance of the University of Mass. Dancers in January 1987.

WERE NOTIFIED by the State Division of Law Enforcement that under Chapter 90B, Section 11 (n) the Director of Law Enforcement must approve or disapprove any ordinance or by-law of any city or town which regulates the operation of vessels or activities that are subject to the provisions of Chapter 90B.

The Division letter noted it is their intention to make these guidelines a regulation, and until this occurs, they are offered now as an aid, and for comment, to cities and towns in an effort to hasten by-law approval and avoid dispute.

In addition, the state asks that a proposed by-law be submitted to the division for comment prior to a vote at town meeting. This would allow the town or city and the division to resolve any problem proposals prior to a binding vote. The information will be reviewed based on conformance with the chapter, boating safety considerations and consistent with the best interests of public use. Specifically, one problem that frequently arises is horsepower limitations. The law enforce-

ment agency is against horsepower limitation proposals because horsepower limits exclude from a water body many boaters unjustifiably. The agency acknowledges that speed limits are more difficult to enforce than horsepower limits, but believes that, nonetheless, in the interest of public access, they are to be preferred to horsepower limits, except in unusual circumstances.

Selectmen agreed to forward the information to Harbormaster Steve Mach.

State Primary

MATTAPOISETT ELECTION RESULTS

Of the 3,495 registered voters in Mattapoisett, 377 Democrats and 161 Republicans cast ballots in the September 16th primary election.

Although the percentage of voters was only 15.4 percent, Barbara Sawyer of the Town Clerk's Office expressed the opinion the 538 voters went to the polls because of the forthcoming state 10th Bristol-Plymouth District Representative's race between John C. Bradford (R) and Robert W. Foster (D).

Foster, a newcomer in seeking a state office and a former Selectman in Fairhaven, received 312 votes on the Democratic ballot. Bradford, seeking re-election, received 148 votes on the Republican ballot.

On the Democratic ballot, the following votes were cast: Governor-Michael Dukakis, 307; Lt. Governor-Gerard D'Amico, 116 and Evelyn F. Murphy 241; Attorney General-James M. Shannon 237, and JoAnn Shotwell, 111; Secretary-Michael Joseph Connolly 284; Treasurer-Robert Q. Crane, 278; Auditor-A. Joseph DeNucci 175, and Maura A. Hennigan, 104, and Charles Calvin Yancey,

YOUR HOUSE WANTS TO BUY YOU SOME WHEELS.

Turn your home equity into cash in as little as 48 hours.

Your home is one of the biggest and best investment decisions you've ever made. As its value has increased in recent years, you've built up a substantial amount of equity. Now you can put that equity to good use with a Home Equity Loan or Line of Credit from Fairhaven Savings Bank.

With a Home Equity Loan, you get your money up-front, to use as you wish. With a Home Equity Line of Credit, you can access your money whenever you want, just by writing a check. No matter which account you choose, you'll pay a competitive interest rate.

In as little as 48 hours, we'll process your application for a loan or line of credit from $5,000 to $100,000 (or 75% of the assessed value of your home).

What's more, for a limited time, we'll waive all attorney, appraisal* and application fees for which other banks charge up to $300.

For real convenience, we'll automatically charge your monthly payments to either your Fairhaven Savings NOW Checking, Charter Account or Money Market Statement Account.

Let your house buy you some wheels, send your kid to college, meet your needs and fulfill your dreams.

Call 1-999-7000 and ask about a Fairhaven Savings Home Equity Loan or Line of Credit. Or stop into one of our convenient banking centers today!

ADMITS 23 NEW MEMBERS

Twenty-three new members were admitted to the Sippican Seniors of Marion at the season's first meeting held at St. Gabriel's Hall. A Square Dance Troupe from Wareham, under the direction of Betty Leonard, also acting as vocalist and caller, provided lively entertainment.

Heidi Taft, coordinator, addressed the group on current senior affairs. Annie Giberti announced the Drop-In Center had reopened, offering music, TV, refreshments, reading matter, coupons and two whist parties, operating 4 days a week, Monday, Tuesday, Wednesday and Thursday from 11 to 2. 7455 Campbell Soup coupons have been collected for the benefit of Sippican School, and members will continue to collect them.

Leo Gagnon, East Wareham, secretary pro-tem until the January election, gave a resume of recent activities and news of coming trips. Bowling has started again and anyone is welcome to try the sport.

Refreshments were served by co-chairmen Iva Griffith and Harriet Hanscom, assisted by a large committee.

Also, because Leagues across the state are focusing on education this year, especially the implementation of Chapter 188, mandating the evaluation of professional educational personnel, Martha Sue Harris, Education Director of the League of Women Voters of Massachusetts, will also speak on September 27th about the role for local League members in this evaluation process. The League's history of involvement in education issues on the national, state, and local levels is extensive. School personnel, as well as parents of school children, will find this subject of great interest.

The meeting will be held at the Morse Pond School off Route 28 in Falmouth from 1:00 to 2:30 p.m. on September 27th. The public is cordially invited. For more information call 357-8380 or 540-2894.

of the Citizens' Scholarship Foundation of America Chapter Awards Program. Each of the 273 local chapters of C.S.F. of America was encouraged to recommend two of its top local applicants to the national organization for consideration of national awards based on academic achievement, good citizenship, extra-curricular activities and need. These awards are in addition to any local scholarship the student may receive from his or her local chapter.

C.S.F.A., a national organization which administers many millions of dollars annually, began 28 years ago as one man's idea to help students in his hometown. When Dr. Irving A. Fradkin, a local optometrist, ran for a seat on the Fall River school board in the late 1950s, "some sort of a scholarship program" was a plank in his campaign platform.

So energetic was Fradkin, and so successful his program of Dollars for Scholars that several nearby Rhode Island towns enlisted his aid in starting their own chapters, and in 1961 the program went national as the Citizens' Scholarship Foundation of America. There were 11 chapters by then, among them C.S.F. of Wake-

field, MA. which celebrated its 25th Anniversary in August 1985 and has distributed some $1,001,839 in awards to Wakefield students since its inception. Currently, C.S.F.A. has hundreds of chapters in over half of the states in the country. MMR Tri-Town "Dollars for Scholars" is one of the C.S.F.A. chapters.

Students in towns with C.S.F. chapters obtain grant applications at their high school guidance offices. A committee composed of a cross section of the local C.S.F. community makes awards decisions. Since applications are coded, identities of applicants remain secret until final choices are reached. In 1986 MMR awarded $15,000 to residents of Marion, Mattapoisett and Rochester. Nationwide, C.S.F. awarded $7. million in scholarships in 1984, $10. million in 1985 and expects to be processing $25. million within five years.

In August Mr. Toohey was presented his scholarship by C.S.F.A. founder, Dr. Irving Fradkin. Mr. Toohey is attending Georgetown University School of Foreign Service. He is the son of Mrs. John Toohey.

Letter to the Editor

TO WHOM IT MAY CONCERN:

We would like to take this time to try to reach the cold-hearted person who hit our 11 year old Golden Retriever on September 5.

If you had stopped to see if you killed her you might have been able to help us. We had no transportation to a vet, because unknown to us animals cannot be transported in police cars. Needless to say, she died as we helplessly watched.

We only wish you were here to answer our children when they asked how someone could do this and not care. I may never know the answer to such ignorance.

Whoever you are, if this should ever happen again, please stop. It is common courtesy and the law.

he works as an advisor to the team of sports doctors in guiding high school athletics, doing safety analysis, presenting workshops, and developing research projects which will bring about improved safety and standards to protect young athletes.

As sub-chairman of the state volleyball committee, Mr. Rodrigues has just completed a project as author of the new state tournament system in effect for this year.

He has been at Old Rochester for nineteen years as a math instructor, coach, and for the past four years, as its athletic director. Mr. Rodrigues (Mr. Rod, as the kids call him) lives in Mattapoisett with his wife Patricia, and his two sons, Timothy and Paul.

He is always happiest when he is working with kids and has the opportunity to see them grow and improve at whatever they are doing. The knowledge he has gained through serving on these boards has been brought back to our community and has influenced change.

Mr. Rod also coaches boys' and girls' winter track, and is head coach of the girls' spring track team

Whaling Museum

SEEKS VOLUNTEERS

This fall the New Bedford Whaling Museum, one of New England's most popular and well-known history museums, is looking for interested people to volunteer at the Museum. The Whaling Museum seeks people who are interested in the history and cultural heritage of New Bedford and in the legends and lore of the American whaling industry.

Volunteers at the Whaling Museum lead guided tours of the Museum's permanent and temporary exhibitions to youth and adult groups. In 1986 these exhibits included The New England Fisheries Urban Visions: The Paintings of Ralph Fasanella, and Buzzards Bay, with related programs offered free to volunteers. Volunteers man the exhibit galleries, providing onsite explanations of the exhibits to over 80,000 visitors annually. They read and research logbooks in the Museum Library and speak to community and school groups.

The Museum is known for its grant-funded outreach program which is coordinated by volunteers. Lectures are offered on "Hetty Green, the Witch of Wall Street", on the "Arctic Exiles", the whaling wives who endured the Northwest Territory to be with their captain husbands; and on the rise and fall of New Bedford's fortunes.

This September, the Whaling Museum will offer a thirteen-week training course to future volunteers which includes lectures, talks and tours on New Bedford's commercial and cultural history.

Come join the hundreds of interested and interesting people who have taken the course and taken the time

BEST BALL TEAM TOURNAMENT

The Little Harbor Women's Golf Association held a Best Ball Team tournament Wednesday, September 17. The first place team members were Arleen Pierce, Kitty Borden, Mary Doherty and Jean Keir. Three teams tied for second place: Fran Mann, Dot Lazarus, Enis Nolan and Diane Walsh made up one team, while another team tying for second consisted of Mary Galligan, Sylvia Fish, Esther Chapman, and Joan Jepson, along with the team of Dot Fahey, Pat Babcock, Arlene Garbacik, and Helen Francis. Arlene Garbacik was closest to the pin on hole number two and Donna Jones was closest on number fifteen.

Paskamansett Bird Club

BIRDWALK IN MATTAPOISETT AREA

Paskamansett Bird Club members and friends will bird in areas of Mattapoisett on Saturday, September 27th, under the veteran leadership of George Mock, a local resident, with wide experience in avian circles in the northeast.

Mr. Mock will greet the group at 8:30 a.m. in the parking lot of Gaetano's Restaurant, Route 6, next to the Mattapoisett Herring Weir. Newcomers will be cordially welcomed.

Expectations are to observe a variety of land and shore birds, particularly fall migrants as the encroaching cold north air triggers their instinct to seek out favorable winter quarters in Central and South America.

But migration patterns tend to be erratic and unpredictable; birders can never be certain whether their questing day will be memorable or forgettable. Ornithological studies reveal that the majority of fall migrants on the east coast flyway are immature birds of but a few months of age.

A few enterprising Paskamansetteers were handsomely rewarded for their patience and curiosity in mid-September when they manned a viewpoint at Cherry & Webb reservation, Westport, and in eleven hours of observations sighted upwards of 200 sharp-shinned hawks, a record for this area. Additionally, there was an interesting mix of various other raptor species such as kestrel, red tail, rough-legged, besides harriers in good numbers.

The show spans 60 years and has more than 40 paintings and drawings. Subject matter runs the gamut from quick sketches, to portraits, to detailed landscapes. Stedman was a former Curator of the Art Museum at Heritage Plantation for 12 years. He worked with the Director, Gene A. Schott, on many major exhibitions including: "Three American Museums and Egypt" - 1979; "American Flower Show" - 1980; "Across the Wide Missouri" - 1981; and "Images of the Land" - 1983. to name a few. Stedman retired to his Falmouth home and studio to pursue his painting career.

Membership, as well as admission tickets to the Museum for the day, will be honored for this exhibit, and will include admission to all the Museum buildings, exhibitions and grounds. Tickets are $5. for adults, children under 12, $2.;

Service Academy Appointments

STUDDS ACCEPTING APPLICATIONS

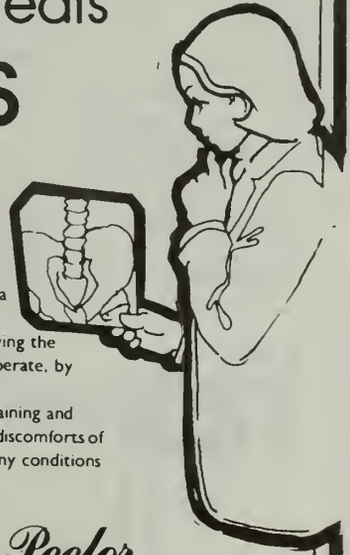
Congressman Gerry E. Studds (D-MA) has announced that he is accepting applications from Tenth District high school students for nominations to United States Service Academies for the academic year 1987-88. The deadline for applying for nominations to the Air Force, Military, Naval and Merchant Marine Academies is November 15, 1986

"It is one of my great privileges as a U.S. Representative to have an opportunity to nominate students from southeastern Massachusetts to our service academies", Studds said, adding that 15 Tenth District students began their studies at the nation's four academies in July.

As in the past, all academy applications will be reviewed by Studds' Service Academy Nominee Selection Committee, which is comprised of distinguished southeastern Massachusetts residents. The Selection Committee will recommend the most qualified

Here's how Chiropractic treats

Arthritis



Arthritis is an acute or chronic inflammation of one or more of the joints of the body. The inflammation may involve some or all of the structures entering in the formation of the joint—the bones, the cartilage, the membranes, muscles, etc.

Chiropractic approaches arthritis from a cause standpoint. It is directed to the restoration of normal nerve function; allowing the natural healing processes of the body to operate, by means of spinal adjustments.

Your doctor of chiropractic has the training and experience to treat arthritis and relieve the discomforts of the condition. Under chiropractic care, many conditions can be relieved.

applicants from the Tenth District to Studds, who will forward these recommendations to the academies as his nominees. The selection boards of each academy will then evaluate these nominees -- on a strictly competitive basis -- for appointment to next year's class.

Studds also informed students of the opportunity to apply for admittance to the U.S. Coast Guard Academy. Procedures for appointment to the Coast Guard Academy do not require a Congressional nomination, and the academy's deadline for application is December 15, 1986. Interested students should contact the academy directly by writing to: U.S. Coast Guard Academy, New London, CT. 06320.

The Congressman said that students interested in an academy nomination, or requiring further information, may contact his nearest district office in Hyannis (771-0666), New Bedford (999-1251) or Hanover (826-3866).

an Emergency Department staffed by six physicians who are specialty-trained in Emergency Medicine. The department serves approximately 20,000 patients each year, one of the highest patient volumes in the region.

Emergency professionals are both specialists and generalists. They possess in-depth knowledge of a wide range of medical treatments and procedures. As part of a three-year residency in Emergency Medicine, physicians receive training not only in an Emergency Department, but also in specialties that include surgery, obstetrics, orthopedics, critical care, and others. "We have to be prepared to treat just about any medical problem", said Dr. Drew Remignanti, an emergency physician at Tobey. "Whether it's a person in cardiac arrest or someone who has sprained their ankle."

Tobey's Emergency Department nurses also receive additional training in the field. "Most emergency nurses here have completed an intensive educational program outlining nursing care for multiple emergency conditions," said Judy Schweitzer, RN, Nurse Manager for

the Emergency Department. Many nurses have also passed a national certification exam in emergency nursing. "Frequently, our nursing care involves providing emotional support for patients and their families, helping them through a difficult time," she added.

The expertise of the Tobey Emergency Staff benefits the community in a number of ways. Tobey physicians maintain radio contact with area EMS squads, directing paramedics and EMTs in treating patients during transport to the hospital. The physicians conduct monthly lectures for area EMTs and paramedics and on request, address area organizations on a variety of emergency topics.

Another informational service the department maintains is the "Posindex" which lists the effects of the treatment for every manufactured ingredient available. Area residents can call the Emergency Department and obtain advice on exactly what to do for a poisoning incident. This service is valuable not only for mothers of young children who may ingest poisons, but also for area industries who may experience environmental accidents.

Tobey also has a highly developed trauma system. "With the increased traffic volume in summer months and our proximity to several major highways, we see a high number of multiple trauma victims at Tobey," said Dr. Remignanti. "Our Emergency Department has the capabilities equal to most large hospitals. And those patients who need further treatment are transported via helicopter to Boston or Worcester medical centers. We have a very comprehensive system, from the EMTs and paramedics in the field to our links with tertiary care centers."

As the specialty of Emergency Medicine becomes more developed, the result is that more lives are being saved. Emergency physicians and other professionals are not only entering into new areas of treatment, but are developing programs to keep patients out of the emergency room by educating them in such topics as drunk driving, seat belts, and methods to protect children from accidental poisonings.

In observance of EMS Week, Tobey Hospital is offering free emergency brochures which offer tips on how to react in an emergency. To obtain your copy call 295-0880, extension 205.

New Bedford will begin a training program for future volunteers in October. Classes are held on Tuesdays and Thursdays and continue through November.

The Hospice volunteer provides support and practical assistance to persons in the terminal phase of an illness and for the family. The training program prepares volunteers to gain insight, to be supportive listeners, to learn about the process of death and grief, and to learn ways to assist terminally ill patients and their families.

Knights of Columbus

ANNUAL CHARITY DRIVE COLUMBUS DAY

"The Massachusetts Knights of Columbus have a simple philosophy that every child, regardless of race or religion, deserves to live as normal a life as possible. That's why we strive to help the handicapped, retarded and blind in Massachusetts get the most they can from life," announced Grand Knight Rev. Roy J. Yurco, SS.CC., of Damien Council in Mattapoisett.

"Since 1977 our members have conducted this annual charity drive and once again we will be out in force on Columbus Day Weekend standing in front of local stores and shopping districts soliciting the kind contributions of passersby. We will be easily identifiable by the red and yellow aprons we will be wearing with the words 'HELP RETARDED CHILDREN' emblazoned on both the front and back." He continued, "Residents of this area have been very generous and we Knights of Columbus are extremely grateful."

In 1980 the Massachusetts Charity Fund Trustees awarded $300,000 to the Cardinal Cushing School for retarded and handicapped youngsters in Hanover, in 1981 $400,000 to the Mercy Center for Developmental Disabilities in Worcester, $175,000 to the Sunshine Village for the Retarded in Chicopee, $60,000 to Camp Paul for Exceptional Children in Chelmsford, $96,000 to the Boston Center for Blind Children in Jamaica Plain, $81,000 to the South Shore Rehabilitation Center in Quincy, and most

recently the trustees awarded $125,000 last month to the Project Triangle in Malden, a center which helps train retarded individuals to perform jobs in industry and helps to place them in meaningful positions of employment.

Grand Knight Rev. Yurco emphasized, "In addition, grants are continually awarded throughout the year to handicapped individuals needing financial assistance to purchase wheelchairs or other similar equipment. For information ask any member of the Knights of Columbus to contact me." He concluded, "In behalf of all the countless number of retarded and handicapped people, whose benefit all this money goes to assist, I want to thank the citizens of our community."

The Knights have been helping the retarded since 1954 when the then Archbishop Cushing of Boston together with Mother Superior of the Kennedy Memorial Hospital in Brighton for the Retarded appealed to the delegates at the annual convention to assist by establishing the Knights of Columbus Guild for Exceptional Children. The K of C State Council contributed $1000 every month for some twenty years towards this worthwhile charity.

Unclaimed Insurance Proceeds

State Treasurer Robert Q. Crane announced today that his office is attempting to return more than $2 million to 18,000 Massachusetts residents under the state's Unclaimed Money Law.

Treasurer Crane noted that this money has been reported to the Treasury by insurance companies doing business within the Commonwealth of Massachusetts. Included in the proceeds are unpaid benefits on health and liability insurance policies, unpaid life insurance benefits, customer overpayments and pension checks.

Under Massachusetts' Unclaimed Money Law (M.G.L. ch. 200A), accounts which have been dormant for at least five years are deemed to be abandoned and must be reported to the Treasury. The Treasury Department then tries to locate the rightful owner or legal heirs to return the money.

"We are encouraged by the increase in compliance nevertheless, our efforts will continue until every dollar is returned," Crane noted.

More than 6,000 accounts range between $100 - $500; 347 accounts between $500 - $1,000; 175 accounts between $1,000 - $5,000; 11 accounts between $5,000 - $10,000; and 10

WOODWORKING WORKSHOP

Woodworking techniques of the 17th century will be the subject of a three-part "Woodlover's Dream" workshop offered by Plimoth Plantation on October 4th, 11th and 18th. Joel Pontz, Rural Arts Coordinator with the museum Edge Shop, will instruct participants in the making of a hand-crafted box in the English tradition. Class members will bring home their handiwork.

Participants will begin from the log, learning how to select the proper wood and rive it with wedges, froe and beetle. Hand-planed, hand-sawn oak stock will be assembled with handwrought nails into a finished piece of reproduction furniture and class members will design and execute a carved pattern on their creations. Beginners are welcome to come learn the art of greenwood woodcrafting.

The workshop will be held in the Edge Shop at Plimoth Plantation, from 10 a.m. to 4 p.m. on the three consecutive Saturdays. The fee, including all materials, is $50. for members, $60. for non-members. For more information or to register

FEDERAL EMERGENCY MANAGEMENT AGENCY
FEDERAL INSURANCE ADMINISTRATION
Proposed Flood Elevation Determinations

AGENCY: Federal Emergency Management Agency
ACTION: Proposed rule.
SUMMARY:

Technical information or comments are solicited on the proposed modified base (100-year) flood elevations shown on your community's preliminary Revised Flood Insurance Rate Map (FIRM). These base (100-year) flood elevations are the basis for the floodplain management measures that the community is required to either adopt or show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP). The proposed base flood elevations modify the base flood elevations shown on your community's presently effective FIRM.

DATES:

The period for comment will be ninety (90) days following the second publication of this proposed rule in a newspaper of local circulation in the community.

ADDRESSES:

Preliminary FIRMs showing the proposed modified base flood elevations and their delineation are available for review at the Building Inspector's Office, Town Hall, 16 Main Street, Mattapoisett, Massachusetts.

(202) 646-2767

SUPPLEMENTARY INFORMATION:

The Federal Emergency Management Agency gives notice of the proposed determinations of modified base (100-year) flood elevations, in accordance with Section 110 of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234), 87 Stat. 980, which added Section 1363 to the National Flood Insurance Act of 1968 (Title XIII of the Housing and Urban Development Act of 1968 (Pub. L. 90-448)), 42 U.S.C. 4001-4128, and 44 CFR 67.4 (a).

These elevations, together with the floodplain management measures required by Section 60.3 of the program regulations, are the minimum that are required. They should not be construed to mean the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements on its own, or pursuant to policies established by other Federal, State, or regional entities. These proposed elevations will also be used to calculate the appropriate flood insurance premium rates for new buildings and their contents and for the second layer of insurance on existing buildings and their contents.

Pursuant to the provisions of 5 USC 605 (b), the Administrator, to whom authority has been delegated by the Director, Federal Emergency Management Agency, hereby certifies that the proposed flood elevation determinations, if promulgated, will not have a significant economic impact on a substantial number of small entities. A flood elevation determination under Section 1363 forms the basis for new local ordinances, which, if adopted by a local community, will govern future construction within the floodplain area. The elevation determinations, however, impose no restriction unless and until the local community voluntarily adopts floodplain ordinances in accord with these elevations. Even if ordinances are adopted in compliance with Federal standards, the elevations prescribe how high to build in the floodplain and do not proscribe development. Thus, this action only forms the basis for future local actions. It imposes no new requirement; of itself it has no economic impact.

Proposed base flood elevations along flood sources studied in detail are shown on the Preliminary FIRM. Lessees and owners of real property in the Town of Mattapoisett, Plymouth County, Massachusetts, are encouraged to review these maps and related materials at the address cited above. The flood sources studied in detail are:

TOWN OF MATTAPOISETT, MASSACHUSETTS
MATTAPOISETT BOARD OF HEALTH REGULATIONS
GOVERNING THE OPERATION OF THE MATTAPOISETT
SANITARY LANDFILL

1. These regulations shall become effective July 1, 1985.
2. If there is any conflict between these regulations and 301 CMR 19:00 et seq, then these regulations shall be deemed supplemental.
3. Each day that a violation of these regulations exist, it shall be considered a separate violation with regard to the penalty provisions of M.G.L. Chapter 111, Paragraph 31.
4. No person or entity may dump any material or substance at the Mattapoisett Landfill without a permit issued by the Board of Health or its designated agent.
5. Each Mattapoisett resident may obtain a permit upon proper identity, said permit shall be affixed to the resident's motor vehicle in the manner prescribed from time to time. The charge for a residential permit shall be $1.00 per two (2) year period. (A resident permit does not authorize commercial dumping.)
6. A common refuse hauler or packer may dump material picked up and generated in Mattapoisett if said hauler has obtained a special commercial permit. The charge for such a special commercial permit shall be $100.00 per calendar year or a portion thereof.
7. Any demolition material from land clearing or other projects or activities with three (3) or more loads from Mattapoisett will be pushed back by the contractor by the end of the week in which it is first dumped and the work shall be supervised by the landfill agent.
8. No person shall dump any material or substance that was not obtained from and generated by an activity in Mattapoisett.
9. Non-resident contractors who are working on Mattapoisett construction must obtain a special temporary permit from the Board of Health if they wish to dump any materials at the Mattapoisett Landfill. The special temporary permit will be issued for two (2) weeks for a $5.00 fee.
10. The Mattapoisett Board of Health may maintain a deposit for waste oil. No waste oil or any toxic material may be dumped at the Mattapoisett Landfill, except that if the Board of Health maintains a waste oil deposit, then waste oil may be deposited.
11. No vehicle except a municipal vehicle may enter the landfill area without a sticker issued by the Board of Health.
12. The landfill attendant is authorized to enforce these regulations. In the event of any dispute, the parties shall initially obey the direction of the landfill attendant, but said complainant may request a clarification by the Board of Health. Such a request shall be in writing and set forth all the facts and shall also request an appointment with the Board of Health to confer on said matter.
13. The issuance of any permit by the Board of Health shall not authorize the dumping of material that has not been generated by some activity in the Town of Mattapoisett.

UEBEC AUTHOR GUEST AND SPEAKER AT SMU DINNER WITH QUEBECOIS REPS

An award-winning Quebec author who joined the Polish resistance in World War II will be a guest and speaker at a dinner October 8 hosted by the Omer E. and Laurette M. Boivin Center for French Language and Culture at Southeastern Massachusetts University.

Alice Parizeau, who won the Prix European award for the best French novel written by an author whose native language is not French, will be guest at a dinner with representatives from the Quebec Government Office in New England. Born in Cracow, Poland, Ms. Parizeau joined the Polish government resistance movement against the Nazi occupation forces at the age of seven. She was ultimately awarded the Crois de guerre and now lives in Montreal.

owned by the Maritime Museum.

On Thursday afternoon, September 25th, from 4 to 5 p.m., Colleen Armstrong from the New Alchemy Institute of Falmouth will share research and expertise in greenhouse and indoor gardening. The Institute is a research and educational organization devoted to testing and developing ecologically sound ways to provide energy, food and shelter.

All programs are open to the public and admission is $5. for non-members, and $3. for members of the Rotch-Jones-Duff House & Garden Museum.

The Rotch-Jones-Duff House & Garden Museum is located at 396 County Street in New Bedford, and is a private, non-profit organization dedicated to the presentation of County Street lifestyle and education programs related to New Bedford in the 19th and early 20th century era. Programs are supported in part by the Massachusetts Council on the Arts & Humanities, a state agency. Additional special events information is available at the Museum by calling 997-1401.

Coming to Zeiterion:

"CEREMONIES IN DARK OLD MEN"

The Negro Ensemble Company, a two-time winner of Broadway's Tony Award, is re-examining its repertoire during the 20th Anniversary Season. First produced by the company in 1969, the NEC has restored the celebrated drama Ceremonies in Dark Old Men for a new generation of theatregoers. Following an extended run in New York, this production is now touring throughout America and can be seen at the Zeiterion Theatre in New Bedford on Thursday, September 25th, at 8:00 p.m. Tickets are priced at $14.00, $12.00 and $10.00 with a $2.00 discount for seniors and students.

A gripping family drama, Ceremonies in Dark Old Men is set in Harlem during the 1950s. After his wife's death, the former vaudeville dancer Russell Parker can do nothing but play checkers and swap tall tales with his friends. As he sits by, his three children drift into a life of crime and a spiral of tragedy. When

this work was first staged, the unique blending of humor and pathos by playwright Lonne Elder III was compared to the great Irish dramatist Sean O'Casey.

The Negro Ensemble Company has produced over 200 new plays in its 20 years, appearing both on and off Broadway and at international festivals throughout the world. Among those plays first produced by the NEC are Home, The River Niger, and the Pulitzer Prize-winning A Soldier's Play. The latter ran for 14 months in New York and 79 weeks on tour before reaching an even larger audience as the Academy Award-nominated film, A Soldier's Story.

Tickets for the Negro Ensemble Company production of Ceremonies in Dark Old Men are on sale now and may be purchased by calling the Zeiterion box office at 994-2900, or by stopping in at any ticket outlet: Brock Avenue Paint & Wallpaper and The Music Box in New Bedford; SMU Ticket Office located in the SMU Campus Center; and at all ticketmaster locations in Massachusetts and Providence, RI.

mischievous interpretation of Prof. Peter Schickele. Prof. Schickele is regarded as America's greatest classical music humorist. He "discovered" the works of P.D.Q. Bach, allowing the public its first glance of such legendary works as Oedipus Tex and Knock, Knock.

The Intimate P.D.Q. Bach promises to delight and amuse haters and lovers of classical music. Prof. Schickele, P.D.Q.'s alter-ego, will illustrate the program with slides highlighting the life and times of the mythical composer. Other features on the program include "Abasoonata", a sonata for piano and bassoon, "Four Folk Song Upsettings", "Goldbrick", and "The Magic Bassoon", a tragicommodity in one act.

Prof. Schickele is aided in his lampooning of classical music by pianist Peter Lurye, a former conductor of the Nuremberg Opera in West Germany, and mezzo-soprano Dana Krueger, who has portrayed a wide range of opera's leading ladies.

Also integral to the production are William Walters, stage manager, who acts, directs and fills a "jack of all trades" position with the P.D.Q. Bach ensemble, and Tom Cherry, who handles the props and staging of the performance.

Tickets for The Intimate P.D.Q. are on sale now, and may be purchased by calling the Zeiterion box office at 994-2900, or by stopping by any ticket outlet: Brock Avenue Paint & Wallpaper and The Music Box in New Bedford; SMU Ticket Office located in the SMU Campus Center; and at all Ticketmaster locations in Massachusetts and Providence, RI.
